Senior Living Initiative grants are funded by the Senior Living Fund and the Robert P. & Clara I. Milton Fund.

**Required Application Attachments:** The following are required documents to be uploaded into the online application:

**NOTE:** It is the responsibility of the grant-seeking organization to submit a complete request. Incomplete requests run the risk of being declined without consideration.

Applications will be reviewed by the Senior Living Grants Committee. Site visits will be conducted at the Grants Committee's discretion. Agencies may be asked to submit additional information. An invitation to submit a proposal does not guarantee funding.

#### Notification and Announcement:

The Grants Committee's recommendations are submitted to the CF's board of directors at the June and December board meetings. Applicants are informed immediately thereafter regarding the status of their request. Announcement of the grant award will be made by the Foundation.

#### Grant Evaluation:

Grants will be evaluated to verify successful completion of the project as defined in the grant proposal and compliance with any conditions made at the time of the grant. Excellent evaluations will enhance the credibility of the recipient organization and their subsequent grant requests. The reverse is also true. Failure to carry out successfully the objectives detailed in the grant proposal may compromise the chances for additional funding.
