

21st Century Scholars

EMAIL

[Salutation],

Have you heard about Indiana's 21st Century Scholars program? It offers income-eligible Hoosier students up to four years of paid tuition at an eligible Indiana college or university after they graduate from high school, depending upon financial need. Tuition is a big part of college expenses, and the 21st Century Scholarship may provide tens of thousands of dollars in financial aid over the course of four years.

You can enroll your child in the program from the time they enter in 7th grade to June 30 of their 8th grade year. **Parents of 8th graders are encouraged to enroll their child as soon as possible to not miss out on this important opportunity.** To apply, your student must:

- Be a resident of Indiana
- Be a U.S. citizen or eligible non-citizen
- Be enrolled in 7th or 8th grade at an Indiana public or private school accredited by the Indiana Department of Education
- Be a member of a family that meets income eligibility requirements

For full requirements, including maximum annual income, visit [Scholars.IN.gov/enroll](https://scholars.in.gov/enroll).

Once you're ready to apply, visit [ScholarTrack.in.gov](https://scholartrack.in.gov) and create a **parent** account. You will need to provide your name and an email address to create an account. Once you've created an account, click "My Account" to submit an application for 21st Century Scholars. Visit [Scholars.IN.gov/enroll](https://scholars.in.gov/enroll) for more information on the application process.

If you have questions or need assistance enrolling, you can contact [name] at [email address] or at [phone number].

Best wishes
