

21st Century Success Fellowship (Application due February 15th)

Opportunity. The 21st Century Success Fellowship is an exciting opportunity to put selected 21st Century Scholars from St. Joseph County on a path to a successful career by completing 2- or 4-year degrees from a college or university located in St. Joseph County, Indiana.

The 21st Century Success Fellowship has many benefits, including a \$5,000 per year (\$500 per month from August to May) stipend. This money is in addition to the state-funded 21st Century Scholarship which applies to tuition.

Fellowship program activities include career exploration, professional development and networking opportunities, leadership development including near-peer mentoring and outreach to potential 21st Century Scholars in middle and high school, and other enrichment activities related to the 21st Century College Scholar Success Program.
